SCHOLARSHIP AWARD FORM

ICRM2018 is the 5th International Conference on Radiation Medicine (ICRM) organized by King Faisal Specialist Hospital & Research Centre (KFSH&RC) in collaboration with leading national and international organizations and professional societies. The Conference aims to provide venues that enhance the development of healthcare professionals' knowledge and skills on the state of the art practice of radiation medicine. The event provides opportunities to share discuss and disseminate innovative approaches, techniques, applications and best clinical practices. It also provides presentations on the state-of-art technology pertaining to the use of radiation in medicine including, but not limited to, diagnostic & interventional radiology, medical physics, nuclear medicine, radiation oncology, radiation protection and radiobiology, biomedical engineering, radiologic technology and medical 3-D Printing. In congruence with its aim, the ICRM2018 provides a limited number of travel awards to prospective registrants on a competitive basis. Interested parties are encouraged to apply using this application form.

Scholarship Guidelines:

Prospective registrants who satisfy the requirements are encouraged to apply.

1. Application must be submitted directly to the ICRM2018 per registration instructions.
2. Preference will be given to applicants who are not past ICRM Scholarship Award recipients.
3. Preference will be given to applicants who have abstracts accepted for presentation at the ICRM2018.

The total number of Scholarship Awards will be determined by the ICRM2018 Organizing Committee.

For further information, prospective applicants are encouraged to visit the ICRM2018 website at www.radmed.org.
The application deadline is **17 January 2018**.
