Medical Response to Radiation Emergency Training Course

Research Centre Room 304,
King Faisal Specialist Hospital & Research Centre, Riyadh, Saudi Arabia

02 – 06 Rabia Al Thani 1440 | 09 – 13 December 2018

One-week Training Course

delivered by experts
in Medical and
Radiation Protection fields

Course Material

is based on
IAEA developed
training material

Over 30 Hrs. Lectures

covering basic
and advanced topics

Daily Hands-On Workshops

on various
applications related to
radiation emergencies

Certificates of Attendance

will be awarded
to attendees

30 Expected
SCFHS
CME Hours

Speakers & Organizers

Belal Moftah, PhD, FCCPM
Course Director & Chairman,
Biomedical Physics Department
Radiation Safety Committee
KFSH&RC-Riyadh

Musaed Alie AlMalki, PhD
Course Director & Radiation Protection Expert,
Director, Occupational Health and
Radiation Protection Administration
Ministry of Health-Riyadh

Ghazi AlSbeih, MD, PhD
Course Director & Principal Scientist,
Chairman, Research Centre
Safety Committee
KFSH&RC-Riyadh

Omar Noor, M.A.Sc.
Course Director & Health Physicist,
Biomedical Physics Department
Radiation Safety Committee
KFSH&RC-Riyadh

Mohammad Alotaibi, MD
Consultant, Pediatric Emergency Medicine
Chairman, Emergency
Preparedness Committee
KFSH&RC-Riyadh

Mohammad Al-Shabanah, MD
Consultant, Radiation Oncology
Chairman, Radiation
Safety Committee
KFSH&RC-Riyadh

Andrew Friend, MA, CEM
Disaster Clinical Specialist,
Quality Management Division
Hospital Safety Committee
KFSH&RC-Riyadh

Shada Wadi-Ramahi, PhD
Chief Medical Physicist,
Radiation Oncology Physics Section
Biomedical Physics Department
KFSH&RC-Riyadh

Shahrukh Hashmi, MD
Consultant, Hematology
Bone Marrow Transplantation
Director, LTFU Clinic, Oncology Center
KFSH&RC-Riyadh

Mohammed Alrowaily, PhD
Nuclear Medicine & Pet
Radiopharmacy Specialist
Member, Radiation Safety
Committee, KFSH&RC-Riyadh

Fareed Mahyoub, MSc
Radiation Safety Officer
Radiation Safety Committee
Biomedical Physics Department
KFSH&RC-Riyadh

Ibrahim Al-Gain, MSc
Health Physicist,
Health Physics Section
Biomedical Physics Department
KFSH&RC-Riyadh

Jan Frederick Fourie, GIFireE
Fire Marshal,
Chairman, Hazardous Safety Committee
Safety & Security Division
KFSH&RC-Riyadh

Ahmad AlQahtani, MSc
Deputy Director,
Radiation Protection Administration
Environmental & Occupational Health
Ministry of Health-Riyadh

Mohalhal Alanazi, MSc
Supervisor, Training Program
Radiation Emergencies Program
Radiation Protection Department
Environmental & Occupational Health
Ministry of Health-Riyadh

Faisal Alotaibi, MSc
Radiation Emergencies Program
Radiation Protection Administration
Environmental & Occupational Health
Ministry of Health-Riyadh

Akram AlMoussa, MSc
Senior Technical Specialist,
Gamma Irradiation Facility Unit
Biomedical Physics Department
KFSH&RC-Riyadh

Najla Al-Harbi, BSc
Laboratory Manager,
Radiation Biology Section
Biomedical Physics Department
KFSH&RC-Riyadh
